

Fillongley Community Dog Waste Scheme

A voluntary scheme to reduce litter whereby householders can put a sticker on their black bin informing passers by that they are happy for people to put their tied bags of dog poo in their black bin.

Guidelines for the householder:

If you are happy for passers by to put tied bags of dog poo in your black bin please:

- display the 'Community Dog Waste Scheme' sticker on the lid of your black wheeled bin
- keep your bin in a location on your property (off the footpath or highway) which you are happy for people to access
- put your bin out for collection on your normal black bin day

Guidelines for the dog walker:

- Please continue to make use of public litter and dog waste bins
- Only put bagged and tied dog poo in black wheeled bins which display the 'Community Dog Waste Scheme' sticker

If you would like stickers for your bin, please contact the Clerk Heather Badham 01676 549193. Thank you.
